JOHN M. P., RYE AND CAIRNGORM ARE
COSTLY FAILURES AT SARATOGA.

English Jumper Bolts and Falls—Grapple
Wins Amsterdam Stakes and Then Runs
Away—Chulita Wins Handicap.

Saratoga, N. Y., August 26.—The exasperating and costly slaughter of the favorites continues. George J. Long's Baroda in the fifth race was the only public choice to get home first today. In these last seven days only nine outstanding first choices have won.

The Amsterdam Selling Stakes, which featured the card as the fourth race, the steeplechase, which came second, and the handicap, which came last on the card, furnished the big upsets of the day. Dreamer was the favorite for the stake race, but Rye, carrying a commission of \$20,000 made up by his owner and others of the Sullivan connections, the biggest single wager that has been sent into the ring on any horse during the meeting, went to the post at 9 to 5.

Miller made the mistake of his waiting and laying in behind the favorite, Dreamer and when he finally woke up to the situation, could never get up in time to beat Grapple. The latter showed suspicious improvement and ran away a mile and a furlong after the finish before he could be stopped. The winner's sudden improvement aroused much adverse criticism.

The tabular history of the Amsterdam Stakes is as follows:

Year.	Winner.	A. Wt.	Jockey.	Val.	Time.
1901	First Whip	111	Bullman	\$1,780	1:46½
1902	Clonmell	91	Shea	2,135	1:42½
1903	Virgin Soil	96	H. Callahan	2,300	1:42
1904	De Reszke	104	Hildebrand	2,785	1:42
1905	Canteen	99	W. Knapp	2,200	1:39½
1906	Right Royal	105	Sewell	1,945	1:42
1907	Grapple	96	Goldstein	1,995	1:39

*At one mile and 70 yards.

Owner Grant Hugh Browne and trainer A. W. Claxon, likewise the backers of John M. P., were keenly vexed at the erratic performance of the English-bred gelding in the steeplechase today. The fact that he had been working splendidly since his return from England some three months back, together with the announcement that Mr. Jay O'Brien, a most skillful horseman, would have the mount, caused the son of Britannic—Guiding Star to be heavily supported over his three opponents—Kernell, Maximilian and Lights Out.

Half a dozen commissions aggregating \$50,000 were dumped into the ring on John M. P. He drew out at the end of the first mile and was leading the others by twenty lengths, when he suddenly bolted at the last jump. He was so close to the hedge when he took it into his head to bolt that he crashed into it and fell on his side, sliding twenty feet before he stopped. He made no effort to get on his feet, but lay there contentedly and unconcernedly munching the grass. The rider had a miraculous escape. For several minutes both horse and jockey were hidden from view of the spectators as if the earth had opened up and swallowed them. Mr. O'Brien said afterward that John M. P. wanted to lie down the worst way, although he was so far in front that he could have pulled up and trotted in, but he simply resented being kept at his work. This fiasco caused a lot of talk.

Mark Antony II., disqualified the last time out, scored a lucky victory in the opening race, and his connections profited handsomely enough to more than offset their previous losses. The son of Marco ran without swerving today and for a time it seemed that he would win by a wide margin, but at the end he had barely enough left to stand off Security's belated rush.

Chulita, finding the weights and the going more to her liking than on her previous appearance and favored by a flying start, won the handicap for two-year-olds at three-quarters of a mile like the good one that she appeared to be in her races in the west. She is apt to have a keen following at the New York tracks this fall. Johnnie Blake, the winner of eight straight races, was among the unplaced horses in this race. He was undoubtedly short.

In the last race, the two heavily backed choices, Cairngorm and Dick Fennell, were ignominiously beaten by the extreme outsider, Oxford. The race was falsely run. The pace was slow, neither of the favorites made any attempt to overhaul the leader until too late.

James R. Keene's horses were shipped to Sheephead Bay yesterday. The H. P. Whitney Stable left today and H. B. Duryea's horses will go tomorrow.

J. L. McGinnis has purchased the horse Welbourne from Colonel Robert Neville. The price paid was \$4,500.

The Silver Brook Stable sold the two-year-old filly Marbles to W. H. May for \$2,000.

Jockey Mountain is under investigation. There is a lot of scandalous talk about his riding, particularly on Okenite.

Jockey Koerner was suspended for three days by the starter.

S. C. Hildreth shipped his horses to New York tonight. Uncle injured his hock slightly Thursday, but is believed to be all right now.

James Arthur bought Vendor today.

DRIVING FINISHES AT FORT ERIE.

Winners Heavily Backed—Bookmakers to
Stand Trial at Welland Today.

Buffalo, N. Y., August 26.—Keen contests were in order at Fort Erie this afternoon. A majority of the races resulted in driving finishes and in two of them the winners were in doubt until the official placing was displayed. All the winners were heavily backed.

Dick Williams, whose Dele Strome was taken from him out of a selling race Saturday, got busy after Harling won the second race and forced his owner to pay \$400 to retain his horse.

The bookmakers at Fort Erie will be forced to make a trip to Welland tomorrow morning to answer the charge of maintaining a gambling place filed against them last week. The case has been called for a hearing at 9 o'clock a. m., so they should find ample time to be back at Fort Erie in the afternoon ready for business on the first race.

A carload of horses left for Montreal tonight and among them was the division of the stable which Barney Schreiber has been racing here.

L. A. Cella and A. E. Gates leave on Wednesday while several other owners will ship on Thursday. C. Pangritz will ship his stable from here to Norfolk on Friday.

ST. SIMON'S GREAT VITALITY.

Statistics have recently been printed in England concerning the great sire St. Simon, still hale and hearty at twenty-six years of age, which give an idea of the magnitude of the financial standing of British racing.

This great horse has, since he went to the stud, earned fees amounting to £227,692, approximately \$1,135,000. His descendants have won in stakes and purses more than twice that amount. An English turf writer said recently of this remarkable animal:

"I have paid a visit to St. Simon within the last month, and I have never seen a veteran of his age look fresher. On his toes as usual, all life, and with the quick, sharp manner of a game cock, the old warrior looks every inch a gentleman, and he is well worth a journey to see—the unbeaten hero of the race course, the gainer of over three parts of a million, with one of his sons disposed of for 10,000 guineas, a daughter for 12,000 guineas and 10,000 sovereigns refused for another son."

CHARLES EDWARD'S ENGAGEMENTS.

It is anomalous that such a high class colt as Charles Edward has no stake engagements at such an important meeting as that to begin shortly at Sheephead Bay. Yet such is the case. If Charles Edward runs there it will be in overnight purse races. By what strange oversight this was brought about has not been made public. It seems the more peculiar from the fact that he has been well engaged in the stakes to be run at the fall meetings at Gravesend and Belmont Park.

At Gravesend Charles Edward is in the First Special, Second Special, Oriental Handicap, Occidental Handicap and Oceanview Handicap. At Belmont Park he is nominated to the Ramapo Handicap, Jerome Handicap, Municipal Handicap and Belmont Park Autumn Weight for Age Race. Quite sufficient to keep him busy through the last half of September and first half of October.

ELECTIONEER AT BRIGHTON BEACH.

New York, August 26.—William Lakeland has got back to Brighton Beach with his horses. He had Electioneer, Question Mark and one or two others at Saratoga. Electioneer came back apparently much benefited by his sojourn at the Spa, but Question Mark is in poor condition and may not be ready for his early engagements at the Bay. Lakeland, however, believes that in Question Mark he has a high-class colt and predicts that he will win some stakes with him when he returns to form. Electioneer will probably be worth watching, too. The Voter colt is of a highly nervous temperament, which was responsible for his poor performances early in the season, but he will tone down with the arrival of cool weather. Had Lakeland had his own way, Electioneer would not have been sent to the post for weeks after he was sent out for his first appearance this season.

FRANK GILL'S UNFIT CONDITION.

Frank Gill's condition when he raced for the Saratoga Cup is the subject of much harsh comment. He was not himself and in the opinion of trainers generally should not have been sent to the post. It was common rumor that the colt had a severe attack of colic two days ago, but he rounded to with treatment in a way that prompted those who control him in taking a chance for the rich prize. The racing public do not take kindly to seeing a popular favorite, as this colt has made himself, disgraced as he was Saturday afternoon.

MERRY-GO-ROUND JOCKEYS STRIKE.

The game of the merry-go-round at New Orleans is petering out and is evidently on its last legs. The racing is hardly worthy the name and the place is patronized in the main by an undesirable element. J. E. Scott, the presiding judge, quit last Friday and the same day the jockeys, under the leadership of D. Hall, struck. They refused to ride until the promoters agreed to see that they are paid out of the purses. The betting ring is syndicated under a contract and it is said that the man who bought the privileges is weakening.

CITY OF BRIGHTON OWNS RACE TRACK

English Municipality Builds Parks and Playgrounds with Racing Profits.

The Brighton (England) race track, located on the South Downs near Brighton, is owned and operated by the municipal authorities. For many years the race course, which is one of the most attractive in England, was run by three trustees. When one died a new member was elected by the remaining two and business was continued. For many years no accounting was made, when some person, curiously inclined, inquired as to the disposition of the profits of the three race meetings which are held annually. An investigation disclosed the fact that the money had been faithfully deposited in a Brighton bank, where it remained as a sinking fund. When the books were audited it was found that they were in perfect shape and every penny accounted for.

What bothered the trustees was what to do with the money on hand, which amounted to nearly \$100,000. They had been loyal to their trust, and after several meetings decided to turn it over to the city, together with the race course, grandstand, and all the buildings thereon. A special meeting of the town council was held and the gift was formally accepted. The surplus in the bank was devoted to the purchase and laying out of Queen's Park as a play ground and recreative park, and it was voted to continue the races as an attraction to the town. The money received from the race meetings, amounting to about \$15,000, is donated to local charitable institutions, and while the city funds are not augmented by the gift, the city is reaping the benefit of it.

The present trustees are continued in office and run the race meetings as formerly, but what arrangement will be made at their deaths is puzzling the city authorities of Brighton. Unless some provision is made to elect new trustees on the death of the present ones, the city authorities will not only own the race track property, but will be compelled to act as a jockey club, receiving entries, arranging races and attending to all details necessary to run a race meeting. The position is a unique one for the city authorities, but as a good revenue is derived from the meeting the town council shows no disposition to cross the bridge before reaching it.

The Brighton races are among the cherished institutions of England, the first meeting dating back nearly 125 years. It was the popular meeting of nobility when William IV., as prince of Wales, had his summer residence at the royal pavilion at Brighton.

THIRTY LEADING JOCKEYS.

Jockeys J. Murphy and J. McCarthy gained the ranks of the thirty leading last week. They are both at Fort Erie and the former rode seven and the latter six winners. Seven was the high mark for winners ridden last week, C. H. Shilling at Empire City also having that number to his credit. Walter Miller's successes numbered five, while Nottter and J. Lee were each home in front four times. The standing of the thirty leading jockeys to and including the racing of August 24, is as follows:

CROKER HORSES AT NEWMARKET.

A London cablegram says that Dr. McCabe, manager of Richard Croker's Irish racing establishment, has been granted a license to train on Newmarket Heath, and will bring over a small string for the three meetings at Newmarket in October. While Orby has been struck out of the St. Leger, which will be run at Doncaster September 11, Dr. McCabe has hopes of starting the Derby winner in the Cesarewitch Stakes October 16 and the Cambridgeshire October 30. Mr. Croker has purchased a farm of ninety acres in the vicinity of his Glencairn place and will erect on it palatial quarters for America and Orby and build paddocks for visiting mares.

NEEDS NO OUTSIDE CAPITAL.

New York, August 26.—A story was in circulation at Yonkers today that T. D. Sullivan and P. H. McCarren had purchased an interest in the Empire City plant. When Mr. Butler was asked about the matter he said:

"It is absurd. The track is owned by myself and the estate of Peter McDonnell. Not a share of stock is for sale. We do not need the assistance of outside capital."

UGLY SPILL AT YONKERS.

THREE HORSES FALL AND JOCKEY
LYCURGUS IS IN HOSPITAL.

W. Ott and J. Lee Escape Injury—Old Honesty Wins the Feature Race—H. K. Vingut Scores a Double.

New York, August 26.—Lycurgus, the colored jockey under contract to William Walker, may lose his life as the result of a nasty spill in the opening race at Empire City track this afternoon. The race was at five-eighths of a mile and ten went to the post. Alomar was left. In the rush for positions around the first turn, Supine, ridden by Lycurgus, went down and New Garter and Teeta H., mounted by J. Lee and W. Ott respectively, fell over her.

Lycurgus was found to have sustained concussion of the brain and was taken unconscious to St. Joseph Hospital in Yonkers. Ott was badly shaken up, but Lee escaped without a scratch and rode Old Honesty to victory in the Tarrytown Handicap, which featured the card as the fourth race, after a hard drive with Light Wool.

There were 12,000 people at the track today and in a betting way they apparently had the better of the bookmakers. Miss Alert, Hollow, Cloisteress and St. Joseph were the successful favorites.

H. K. Vingut scored a double. Hollister won the first race for him and Cloisteress the fifth. They both led all the way.

Jockeys Musgrave and Liebert divided the riding honors. Each piloted two winners.

Hollow's victory in the third race was his ninth in twenty-nine starts. He has been ten times second, six times third, and only four times unplaced.

St. Lucar, the three-year-old bay colt by St. Florian—Lilly M., is to go to Mexico. J. C. Ferriss, Jr., sold him to L. Blum today.

R. E. Watkins was able to prove to the stewards that he and a number of his acquaintances had wagered heavily on Flavigny Friday, and the investigation ended with the statement that the stewards are satisfied that Flavigny's poor showing was due to excessive racing and staleness.

The horses Canopian, Penrhyn, Alonso and Amherita, in the stable of E. J. Gildersleeve, have been attached by Walter T. McGinty, who claims that Gildersleeve is indebted to him in the sum of \$800.

Silver Cup, the two-year-old chestnut filly by Allan-a-Dale—Ravello II., has been sold by J. C. Ferriss, Jr., to Mrs. H. H. Selby. The price reported was \$1,200.

BALLOT'S SHEEPSHEAD BAY TASKS.

With Peter Pan retired for the year it will now fall to Ballot to do the heavy work of the Keene stable in the great stakes for three-year-olds and three-year-olds and over. Judging from what he has already done, Ballot is amply able to meet all requirements and with Superman, Court Dress, Philander, Gretna Green, Zambesi and Cabochon to assist, the Keene stable seems able to get along comfortably without the services of Peter Pan. Ballot is well engaged at Sheephead Bay and if no accident befalls him seems likely to add between \$30,000 and \$50,000 to the already plethoric stable account for the year. Ballot's nominations there are in the following races:

Date.	Stake and value.	Distance.
August 31	Fall Handicap, \$2,000 added.....	3-4
September 2	Twin City Handicap, \$10,000 added.....	1 1-4
September 7	Century Stakes, \$20,000 guaranteed.....	1 1-2
September 9	Ocean Handicap, \$2,500 added.....	1
September 13	Omnium Handicap, \$3,000 added.....	1 1-8
September 14	Annual Champion Stakes, \$25,000 guaranteed.....	2 1-4

It is not likely that such a distinguished and high class colt will be started in more than four of these stakes at the utmost and it is more than probable that he will be saved for the Century and Annual Champion alone. The Twin City Handicap is a rich event, but Ballot is sure to be assigned an impost sufficient to be a staggerer for even a crack four-year-old and in view of the long distance of the other two great races, it is more than probable he will be an absentee when the horses go to the post for the Twin City.

So far as appearances go now the Century is at his mercy, only Frank Gill, McCarter and Ironsides appearing able to offer any considerable opposition. For the Annual Champion Salvadore, Montgomery, Fountainblue, McCarter, Paumonok and Faust are the best other eligibles of his own age. Of older horses Glorifier, Holscher, Ironsides, Lotus Eater and Rapid Water are all that appear worth a moment's consideration and of these it is questionable whether any but Holscher will be sent to the post.

PETER QUINCE IS GAME.

All the turf sharps who saw Peter Quince race Saturday at Saratoga seem to have been favorably impressed. He ran green every foot of the way, but still hung on in a way that bespeaks great things when he learns what is expected of him. He may not be, as has been asserted, as good a colt as his stable mate, Colin, for they don't send many of that kind to the races, but he will win races in high-class company.

CHICAGO, ILLINOIS, AUGUST 27, 1907.

ALEX SHIELDS IS DYING.

New York, August 26.—William Shields received
 at Yonkers this afternoon a telegram calling him
 to the bedside of his father, Alex Shields, at
 Bound Brook, N. J. Mr. Shields, the message said,
 is not expected to live through the night. He
 is suffering from acute indigestion and nervous-
 ness.

LONG MAY LOSE ARCITE.

Saratoga, N. Y., August 26.—George J. Long's
 good three-year-old Arcite is in a critical condition.
 He was found in his stall Sunday morning with a
 concussion of the brain and has since been in a
 sling with his head high up to keep him from
 bleeding to death. It is the general opinion that
 he cannot be saved.

JOCKEY OTT A CHICAGO BOY.

Jockey Walter Ott, who fortunately escaped in-
 jury in the spill in the first race at Empire City
 track yesterday, is a Chicago boy. His mother is
 a widow and he is her only child. He is sixteen
 years of age and has been with the horses about two
 years. He is under contract to John Ferriss, Jr.,
 of Nashville, Tenn., and rode his first winner May
 10, last.

HOPE REES WILL PRESIDE.

President David Barnes of the City Park Jockey
 Club is visiting his family at Hawthorne for a few
 days. He will return to New Orleans about Sep-
 tember 1. Mr. Barnes says no presiding judge
 for the New Orleans meetings has yet been chosen.
 It is still expected that Captain J. H. Rees will be
 induced to act in that capacity with Clarence Mc-
 Dowell as his associate.

CORRIGAN LOSES THREE HORSES.

Edward Corrigan has thirty horses in training
 at Hawthorne under June Collins. He had the
 misfortune to lose three two-year-olds last week.
 Mr. Corrigan believes they were poisoned through
 a mistake on the part of the druggist who filled a
 prescription intended as a remedy for their cough-
 ing.

HARRY KUHL GOES TO DENVER.

Harry Kuhl, former secretary of the Western
 Jockey Club and the Chicago Jockey Club, is in
 bad health and has gone to Denver in the hope of
 recovery, though his friends are fearful that his
 condition is more serious than he himself believes.

ANSWERS TO QUERIES.

[Communications without names and addresses
 of senders will not be answered or noticed.]

T. V., Cleveland, O. If a horse reported to have
 been scratched runs and wins or is placed its
 backers are entitled to payment.

J. H. K., St. Louis, Mo. By a telegraphic error
 Cartage's weight in race 70606, August 21, was
 made 106 pounds. He carried 126 pounds in the
 race.

Harry B., Chicago. B's place parlay on Miss
 Alert, Hollow and Flavigny won. Flavigny being
 "out" for place, it was void as to her and won
 on the other two.

C. F. K., Chicago. Longstreet and Tenny ran
 a match race at Monmouth Park August 1, 1891.
 It was for \$5,000 a side at a mile and a quarter,
 each to carry 124 pounds. The Monmouth Park
 Association added \$2,500. Longstreet was ridden
 by Tony Hamilton and won by six lengths in 2:07.

J. K., Celina, O. (1) A handicap is a race for
 which the horses are weighted according to their
 comparative merits in the estimation of the hand-
 icapper for the purpose of equalizing their chances
 of winning. (2) A selling race is one in which
 every horse entered is subject to be claimed if it
 loses, and the winner must be offered for sale
 by public auction, starting at the price named
 by the owner when making the entry. The condi-
 tions of a race are determined by the association
 offering it.

NOTES OF THE TURF.

Fred Burlew says Chapultepec, barring accidents,
 is a certain starter for the Futurity.

Applications for 600 stalls have been made at
 Montreal. There are now about 150 horses on the
 grounds.

Salvatore has been improved by his stay at Sara-
 toga. It is said that he has taken on about 100
 pounds of flesh.

W. H. Carey bowed a tendon at Sheepshead Bay
 last June, but trainer James Blute says he will
 surely race again this fall.

William Kane, assistant clerk of the scales at Sara-
 toga, was stricken with apoplexy last Friday
 night and is in a critical condition.

The annual fall sales of thoroughbred yearlings
 under the auspices of the Fasig-Tipton Company,
 will begin at Sheepshead Bay next Saturday.
 When J. Lee rode two winners at Yonkers Thurs-
 day, one of the New York criticisms ran this way:
 "But, of course, a chinaman could have won on
 Hollow."

John A. Doyle, widely known as a writer on the
 breeding of thoroughbreds under the pen name of
 "Oxonian," died recently in England. Mr. Doyle
 was also a breeder in a small way.

Bar None, which is expected to be the Whitney
 dependence for the Futurity, impressed the work-
 watchers at Saratoga Sunday morning when he gal-
 loped six furlongs in 1:16 over a slow track.

Gus Macey is trying to locate jockey Arthur Mor-
 gan. He has heard nothing of the lad since the

Butte meeting closed. About three weeks ago Mr.
 Macey wired Morgan to report to Henry McDaniel
 at the end of the Butte meeting, but the boy has
 not put in his appearance at New York.

Last Thursday, McGraw and the New York base-
 ball players are said to have bet a pool of \$2,000
 or so on Confessor at Yonkers. The same after-
 noon the Pittsburgh team got twenty hits and twenty
 runs and smothered the so-called Giants. Confessor
 won after the game was lost. What's the answer?

Saratoga's meeting will close Thursday and the
 Sheepshead Bay meeting will open Saturday, so
 there will be racing at Empire City and Fort Erie
 tracks only on Friday. With Empire City closing
 Friday and Montreal opening Saturday, there will
 be racing at three tracks until Fort Erie closes
 September 7. Montreal will close September 14
 and Lexington and Toronto will open on the same
 date.

Keep Moving, on the inside in close quarters, was shuffled back and came through on the inside in the deep stretch going into a fast going second. Anlaeus, from a flatfooted inside start, was shuffled back and closed an immense gap on the extreme outside, running a grand race. Banyah was a prominent contender throughout. Miss Delaney was prominent to the last sixteenth, but tired finally. Rara Avis finished fast. Johnnie Blake was prominent early and tired as if short.

Grapple, from a flying outside start, made the running by a good gap undisturbed until too late and ran away a mile and a furlong after the finish. Rye, on the inside and gradually shuffled back to last place, closed an immense gap in the last half on the extreme outside, but could not get up. Right Royal broke slowly, but steadily improved his position into a fast going third. Missouri Lad loomed up menacingly on the last turn, but succumbed in the closing drive. Dreamer was securely pocketed throughout, had a very rough journey and no chance at any stage. Zienap was speedy, but tired finally. Ampedo closed a gap. Dolly Spanker showed speed for six furlongs and was short. The winner was entered for \$1,500; no bid.

 Went to post at 4:31. At post 3 minutes. Start poor. Won easily; second the same; third driving. Baroda drew out quickly, laid away to the end and won with plenty left. St. Ilario got into prompt pursuit of the winner from the start and was a fast going and game second. Miss Catseby, badly ridden and nearly left, closed an immense gap, was easily second best and ran a cracking race. Ariel closed up rapidly and appeared a sure third in the stretch, but succumbed in the last stride. Gold Quartz steadily improved his position in the last half. Glorious Betsy, nearly left, made up much ground. Task Master was virtually left. Goldquest was crowded back.

 Winner—Gr. h. by Faraday—Aunt Belle (trained by J. McLaughlin).
 Went to post at 5:00. At post 1 minute. Start good. Won easily; second and third driving. Oxford made the running throughout by a safe margin and was never seriously menaced. Cairngorm, after being reserved within striking distance, closed up moderately well when called upon in the last quarter, but was waiting with a long time before making his move and was really never dangerous. Main Chance maintained nearest pursuit of the leader for the first mile and then tired slightly. Dick Finnell had no chance with the slow early pace and was unequal to sprinting with the others through the last three furlongs.

Time, 24, 48, 1:13, 1:42.
 Winner—Ch. f. by Handspring—Hattie Vaughan (trained by H. Oots).
 Went to post at 3:00. At post 2 minutes. Start good. Won handily; second and third driving. Miss Alert was best, ran in close attendance on the leaders to the stretch, then came on fast and won with speed to spare. Waterspeed was always prominent in the running, gamely outstayed La Veita and will probably improve. La Veita was always close up and finished fast. Soprano showed the most early speed, but failed to stay. Lady Vera and Nellie Burn ran much below their best form.
 Scratched—70643 Ida Beck, 90; 70246 The Pet, 97.
 Overweights—Miss Alert, 1 pound.

70678 THIRD RACE—5-1-2 Furlongs. (21644-1:06-2-103.) \$900 added. 2-year-olds. Selling. Net value to winner \$830.

 Winner—B. c. by Holstein—Follow (trained by T. P. Hayes).
 Went to post at 3:33. At post 2 minutes. Start good. Won easily; second and third driving. Hollow pursued Priceless Jewel closely for a quarter, then dashed into the lead and, setting a fast pace to the end, ran a good race and shows steady improvement. Aristotele was always prominent in the running and finished fast and gamely. Miss Mazzoni was off poorly and closed a big gap into a fast going third. Emma G. ran well to the stretch and tired in the final drive. Servile was shuffled back early and can do better. Priceless Jewel showed superior early speed, but quit like a non-stayer. Running Account got off poorly.
 Scratched—70617 Scallop, 104; 70641 Corncock, 110; 70657 Inauguration, 96; 70676 New Garter, 104.
 Incorrect weight in entries—Miss Mazzoni, 96.

70679 FOURTH RACE—1 Mile and 100 Yards. (70624-1:45-4-114.) Tarrytown Handicap. \$2,000 added. 3-year-olds and upward. Net value to winner \$1,620.
